Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The Office Action dated April 3, 2009 in the above-referenced application stated that the Information Disclosure Statement filed on May 29, 2007 did not fully comply with the requirements of 37 CFR 1.98(b), because the listed Japanese patent documents were not supplied (only the English translations thereof were provided). Enclosed herewith is an IDS listing the same four Japanese patent documents that were listed as citation numbers 4-7 in the IDS filed on May 29, 2007. Also enclosed are all four Japanese patent documents, and their English translations. Thus, this IDS is fully compliant with 37 CFR 1.98(b).

This Information Disclosure Statement is being filed before the mailing date of a final action and before the mailing date of a Notice of Allowance. Thus, no fee is required as set forth

in 37 C.F.R. § 1.97(c), however, the Commissioner is hereby authorized to charge any additional fees which may be required or to credit any overpayment to Account No. 11-1410.

Respectfully submitted,
